

GONDWANA

PRIVATE GAME RESERVE

Guided Fynbos Walking Experience

Join your experienced Field Guide and explore the unique flora on Gondwana Game Reserve on foot. Enjoy a guided walking flower safari in the Reserve's protected walking area and learn about the conservation of our rare and endangered Fynbos biome. Stretch your legs and experience the touch, taste, smell and beauty of indigenous flowers and learn about their many medicinal properties.

- ~ Book with your Field Guide or at Reception.
- ~ Book with your Field Guide or at Reception
